Shaping our Future

1. Coordination of Professional Development
   - Internal Advisory Group
   - Workforce Development
   - Professional Development Presentations

2. Student Success Instruction
   - Explore development of cross-disciplining
   - Project-based Learning
   - Interacting with programs
   - Social media in instruction
   - Student services awareness, access - one stop shop

3. Institutional Quality & Alignment
   - Center for Excellence in Innovation
   - Freedom to Experiment
   - Specific for curricular approaches
   - Evaluation of curricular models

4. Visibility & Branding
   - Digital Credentialing
   - Better advising for student-success: entirely online
   - Working earlier on with certain students:
     - Educational plans
     - Group advising

5. Workforce Development
   - Internships, faculty advisory
   - Open relationships with employers
   - Collaborate with SPP via Salesforce
   - Career pathway models
   - Establish articulation agreements

6. Academic Partnerships
   - Kids at college program encourages kids who might not come here
   - University Center: Investigative programs
   - Opportunity to transfer from CVCC
   - Criminal justice

7. Funding
   - Campaign to raise money
   - Student scholarships
   - Educational innovation for faculty
   - Federal funding: grant on sustainable transportation
   - Task force: non-benefits revenue
   - Intercollegiate apps

8. Governance
   - Mandatory to make this happen
   - Funding: $8.5 million

9. Entrepreneurship
   - Center for Excellence in Innovation
   - Entrepreneurship

10. Community Engagement
    - Connecting students to learning opportunities with organizations
    - Reaching out to non-traditional students: training
    - Evaluating shift in aging population
    - Senior Academy
    - Elder hosts

Challenges:
- Nurturing the rest of the institution with you
- Nurturing the amount of Centers: some can be superfluous
